LOOKING AHEAD TO 2025

Join CCA for our annual
Proprietary Departments
General Membership Meeting
where we bring the heads of the
City's proprietary agencies to
discuss their upcoming projects
and outlook for the future. Meet
David Wright, the new General
Manager of the LADWP, the
nation's largest municipal utility.
Also hear from LAWA Executive
Director Deborah Flint on LAX
and its modernization efforts.
And we'll hear from Gene
Seroka, Executive Director of
the Port of L.A., the busiest port
in the Western Hemisphere.

OUR ESTEEMED PANEL OF
SPEAKERS WILL DISCUSS:

- What will happen at LADWP as
a result of the November vote
on department reforms.
- LAWA's plans for the People
Mover and Metro Connections
at LAX.
- How the Panama Canal
expansion has impacted the
Port of Los Angeles.
- The Port's outlook for the next
decade and its Waterfront
Redevelopment plans.
